## Martin Luther King Day Softball Camp at OGSA Featuring the Baker University Wildcats

### Don't miss this opportunity to work with Dana Goss and the Baker softball team in a 1-day softball camp!

Dana Goss is entering her 20<sup>th</sup> season as a college coach. Dana has worked at all levels of the game from competitive youth to the NCAA Division I level. In 2005 she was voted the region XVI Coach of the Year and NFCA Coaching staff of the year as she led her team, Maple Woods CC to the College World Series. Dana was at the helm of Avila University last season where her team won a conference title and earned a spot in the NAIA National Tournament. The team was featured on ESPN as the Top Play on Sports Center while making quite the splash during their magical post season run. Dana has been a part of the direct development of numerous All-Conference, All-Region, and All-American players. She has coached the KCAC player of the year in 2019 and the HEART Pitcher of the Year in 2016. As she takes over at Baker University this season, she looks to continue to push the nationally recognized program forward.
